Ms. Luxmani Chitparan
President
Tamil Medical Pharmaceutical Association
15 Sarum Cres
Markham ON L6C 2N1

Dear Ms. Chitparan:

On behalf of University of Toronto Scarborough (UTSC), I want to extend my sincere appreciation to the Tamil Medical Pharmaceutical Association for their generous contribution towards establishing *The Tamil Medical Pharmaceutical Association Award*.

This scholarship was created at UTSC to encourage more students to pursue a career in the pharmaceutical industry. The scholarship will support the best and brightest students with financial need from University of Toronto Scarborough's Bachelor of Science degree program.

Tamil Medical Pharmaceutical Association's generous support will provide life-changing opportunities that will make a remarkable impact on the lives of students, ensuring that top students are able to attend one of the world's best universities regardless of their financial circumstances and graduate as tomorrow's leaders in medical and pharmaceutical sciences.

We look forward to celebrating our student success on a global platform in the years to come.

Sincerely,

Georgette Zinaty, BA MBA MSc
